Legacy

For classic looks with modern features, look no further than the Aga Legacy. Unique gleaming spiral handles set off the curvaceous doors to satisfy the design conscious. A versatile cooktop and flexible electric ovens indulge those with the highest culinary standards. With this bold appearance and contemporary features, it's easy to see why this Aga outlooks and out cooks other pro-style ranges.

Stainless Steel Redefined

This Legacy redefines the stainless steel range. It fuses a commercial style finish with the elegant contoured Aga design to produce a range like no other. The high grade stainless exterior provides a durable, attractive and easy to maintain finish. And the interior is equipped with the Legacy amenities you have come to expect from Aga.

The stainless steel Legacy model is available in 36" and 44" sizes and both dual fuel and electric.

Sealed gas burner cooktop

- Offers heat output from 850-15,000 BTU
- Integral 15,000 BTU wok burner
- Field convertible to LPG

Dedicated broiling oven

- 8 pass, 2300 watt element
- Preheats in just 5 minutes

Programmable convection oven

- 2500 watt element with fan
- Can be programmed for start/stop operation
- Key lock safety feature

7-Mode Multifunction™ programmable oven

- Convection defrost - fan forced air without heat
- Convection bake - rear 2,500 watt element with fan forced air
- Convection broil - top element with fan forced air
- Fan assist bake - top and base element with fan forced air
- Conventional bake - top and base element heat
- Top brown - top element heat only
- Base heat - bottom element heat only
- Removable HandyRack™ in oven door
- 5 interior oven rack positions with **NEW** commercial grade racks

The Dual Fuel Legacy

High Performance Meets High Style

The dual fuel Legacy combines the versatility of a gas cooktop with the reliability of convection ovens. It can bake, broil, steam, stir-fry, roast and simmer all at the same time. And look good doing it, with sleek contoured doors, sparkling chrome handles and a rich colored enamel finish.

Convenient storage drawer

- Available in 44" model only

Options

- 7 stylish colours including **NEW** Stainless Steel and Vintage White
- Cathedral window door
- Classic Handle

The Electric Legacy

The Only Electric Pro-Style Range In Its Class

The electric Legacy offers pure pro-style power to amp up your cooking. Rapid response ribbon elements heat the cooktop in an instant. And multiple ovens offer the flexibility of convection *and* conventional settings, so large meals and entertaining are a breeze.

Durable ceramic cooktop with ribbon elements

- Heats in seconds
- Surface elements from 1200-2200 watts
- Hot surface indicator light
- Push and turn childproof knobs

Convection oven

- 2500 watt element with fan
- Programmable for start/stop cooking
- Key lock safety feature

7-Mode Multifunction™ programmable oven

- Convection defrost - fan forced air without heat
- Convection bake - rear 2,500 watt element with fan forced air
- Convection broil - top element with fan forced air
- Fan assist bake - top and base element with fan forced air
- Conventional bake - top and base element heat
- Top brown - top element heat only
- Base heat - bottom element heat only
- Removable HandyRack™ in oven door
- 5 interior oven rack positions with **NEW** commercial grade racks

Broiling oven

- Dedicated oven for broiling
- 8 pass, 2300 watt element
- Preheats in just 5 minutes

Convenient storage drawer

- Available in 44" model only

Options

- 7 stylish colours including **NEW** Stainless Steel and Vintage White
- Cathedral window door
- Classic Handle

36" Legacy

Control Knobs

Large, chrome accented knobs with childproof, push-to-turn safety feature.

Broiling Oven

This oven may look unassuming, but it features a powerful 8-pass, 2300 watt broiler that's heated and ready to cook in just 5 minutes! The Full Broil mode provides complete coverage using the full eight passes. The Half Broil mode uses the four right-hand passes and is perfect when cooking for one.

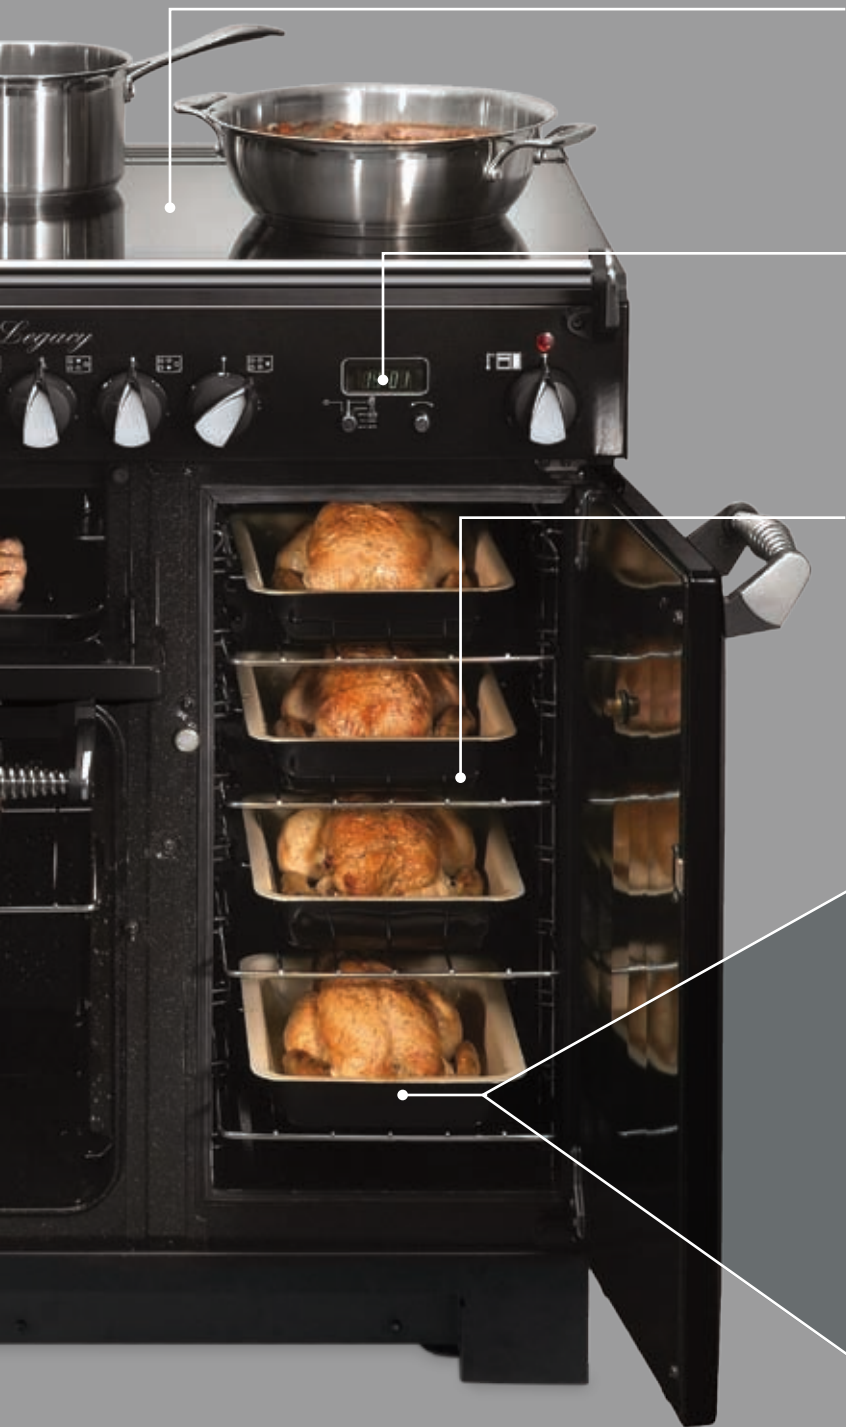

7-Mode Multifunction™ Oven

Offers the ultimate flexibility with 7 different cooking modes: Convection defrost - fan forced air without heat; Convection bake - rear convection element with fan forced air; Convection broil - top element with fan forced air; Fan assist bake - top and base element with fan forced air; Conventional bake - top and base element heat; Top brown - top element heat only; Base heat - bottom element heat only.

HandyRack™

A signature Legacy feature. No more pulling out hot, heavy racks to check foods. The HandyRack is a removable shelf located in the door. Fitted in one of its 2 positions, this rack provides safety and convenience allowing you to place dishes where they are easiest to access.

Electric Cooktop

This sleek ceramic cooktop is equipped with rapid response ribbon elements that heat in seconds. Hot surface indicator lights alert you when the cooktop is in use or warm to the touch for extra safety, even after it has been turned off.

Minute Minder

This integral clock has a timer with a delayed baking feature, allowing you to program when the oven turns on and off. Plus, the key lock prevents little hands from accidentally starting ovens.

Vertical Convection Oven

This programmable oven uses true convection, a cooking method that continuously circulates hot air through the cavity, for faster more even cooking. With 1.8 cu ft of capacity, this oven is large enough to prepare a whole meal, but small enough to heat up quickly and efficiently. It is accompanied by 4 heavy duty oven racks and a removable plate warmer.

Plate Warming Rack

No other 36" pro-style range has this much to offer

Control Knobs

Large, chrome accented knobs with childproof, push-to-turn safety feature.

7-Mode Multifunction™ Oven

This incredibly versatile programmable oven provides so much flexibility. Turn the convection off, leave it on or go somewhere in between - you tailor the oven's performance to your needs by selecting from the convection bake, convection broil, fan assist bake, conventional bake, top brown or base heat modes.

Glide-Out™ Broiler System

The smooth action Glide-Out™ broiler system uses a sliding runner to move the broiler pan in and out of the oven safely and easily.

44" Legacy

Gas Cooktop

This versatile cooktop is equipped with sealed gas burners, featuring an integral wok burner and the continuous porcelainized cast iron burner grates provide commercial style movement of pans from burner to burner.

Minute Minder

This integral clock has a timer with a delayed baking feature, allowing you to program when the oven turns on and off. Plus, the key lock prevents little hands from accidentally starting ovens.

Convection Oven

This programmable oven features an impressive 2.4 cu ft of cooking capacity. It is accompanied by three heavy duty oven racks and roasting tin.

Storage Drawer

This convenient storage drawer is the perfect place to store baking trays, saucepans or kitchen towels so they are always close by.

Simple Style

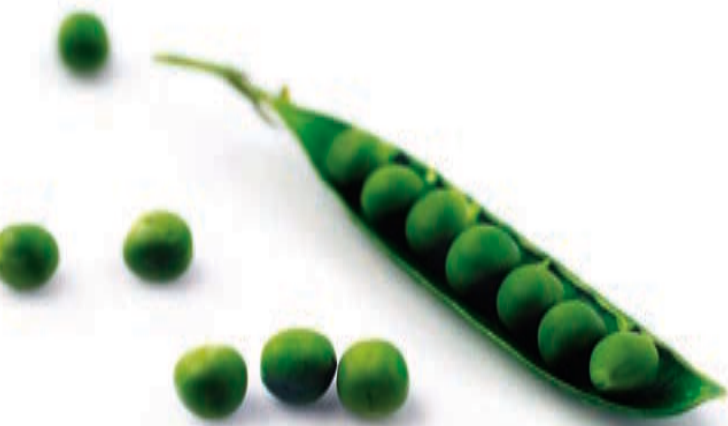

For over eighty years Aga has hand crafted ranges of superior performance and classic design. Now, we proudly offer a collection of coordinating products so you can create the kitchen of your dreams.

Style choices are usually limited with your dishwasher. Pick a standard color, or integrate it with a cabinet panel. Now, your dishwasher can be a style star with our new panel. It fits easily over most integrated dishwasher doors. And it features our trademark contour design, so it coordinates beautifully into any Aga kitchen.

This 36-inch wide refrigerator fuses classic Aga design with state of the art features like electronic touch temperature controls, an Energy Star® certification, and thoughtful amenities like the internal water dispenser and smart storage solutions.

You can't have a range without a hood. Our new hood inspired by the classic Aga design, coordinates perfectly with any Aga range or cooker.

Bottom Mount Refrigerator (AFHR-36)

- 20 cu. ft: Fresh food capacity 14.4 cu. ft.; Freezer capacity 5.5 cu. ft.
- Factory-installed ice maker
- Internal filtered water dispenser for fresh chilled water
- Water filter easy to access and change
- Adjustable Spillsaver™ glass shelves
- Gallon door storage with temperature control
- Temperature controlled pantry drawer with an easy close rolling drawer track system
- Humidity-controlled crisper drawers keep fruits and veggies market fresh
- Adjustable door buckets keep your condiments in clear sight
- Beverage storage rack
- Electronic, easy-to-use touch temperature controls
- ENERGY STAR®-qualified 476 kWh/year

Dishwasher Panel (ADWP-24)

- Durable enameled steel construction
- Easy installation
- Fits most integrated dishwashers

Range Hood (ARHD-36/ARHD-48)

- Two size options: 36" and 48"
- 3 speed fan
- 2 50-watt halogen bulbs
- High heat sensor
- Stainless steel baffle filters
- Enclosed stainless steel liner
- Top or rear discharge included with a 10 inch square to round transition for venting
- 36" Model - 600 CFM
- 48" Model - 1200 CFM

Colours

The Aga Legacy is available in 7 stunning colours to compliment any decor*. Our signature enameling process creates a rich finish, providing the appearance you want and the quality you deserve.

*Please note side panels on all Legacy ranges are black.
